

SQLskills Immersion Event – Bellevue, WA

September 30-October 3, 2013

Daily Agenda

- 07:45** Coffee/breakfast/settle in
- 08:30** Class begins
- 12:30** Lunch served
- 14:30** Afternoon snack served
- 17:45** Class ends each day (17:00 on Thursday)

Special Evening Events

Monday Evening

17:45 join us in the lounge for *“Meet and Greet”*
We’ll buy the first round! Socialize with your classmates in the hotel’s lobby bar.

Tuesday Evening

18:00 join us for a special presentation (in IEO’s classroom) from James Holden of SQL Sentry
Tips for Query Tuning with SQL Sentry Plan Explorer
Learn how SQL Sentry Plan Explorer can help you explore and tune the most difficult query plans, from the team that made this fantastic free tool. James will cover the key differences between Plan Explorer and SQL Server Management Studio, plus what to look for in estimated and actual plans. During this session you will learn how to use the revolutionary FREE tool, SQL Sentry Plan Explorer, to wrangle even the scariest query plans.

Wednesday Evening – Free Evening!

Thursday

Class ends a tad earlier on Thursday (ending at 17:00).
We recommend that you try and stay until the very end... ☺
